1 INTRODUCTION

1.1 Purpose

The purpose of these guidelines is to provide the requirements for the application, obtainment and minimum service delivery requirements for Midstream and Downstream Oil and Gas Industry Service Permits (MDOGISP). These Guidelines are issued pursuant to Section 32(tt) of the Petroleum Industry Act (PIA) 2021 which mandates the NMDPRA to ensure and monitor performance parameters of industry players and the quality of service provided by servicing companies in the midstream and downstream petroleum industry. Furthermore, Section 218 of the PIA 2021 stipulates that a person or company engaged in petroleum operations, which require permit in the midstream and downstream petroleum operations shall register its undertaking with the NMDPRA and provide information concerning the activities of the undertakings.

From the foregoing, pursuant to the above-mentioned sections of the PIA and Regulations 37 of the Midstream and Downstream Petroleum Operations Regulations 2023, no company/person shall render or be engaged by a licensee to render services to the midstream and downstream oil and gas Industry without first being registered and issued a permit to carry out such services by the NMDPRA. Any company that renders services in the midstream and downstream oil and gas operations without an appropriate and valid service permit and any licenses/ operator that engages such company is in contravention and is liable to applicable penalties as prescribed in the Midstream and Downstream Petroleum Operations Regulations 2023.

1.2 Scope

Midstream and Downstream Operations as defined by Section 318 of the PIA 2021 are activities and operations Downstream the Petroleum Measurement Point, whether or not related to a Petroleum Mining Lease. The Licenses for these Operations are contained in Chapter 2 (Part IV & V) of the PIA 2021 for Gas and Petroleum Liquid Operations. These Guidelines therefore are applicable to companies operating in the Nigerian Midstream and Downstream Petroleum Industry and those wishing to render services to a licensee and Operator in the Industry. It covers the different categories of permits in the Midstream and Downstream Petroleum Industry, services available in each category of permit, application procedure, minimum service delivery and applicable sanctions.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved

2 OVERVIEW OF MDOGISP PROGRAM

2.1 Obtainment Of Appropriate Permit to Render Services

The following applies at the minimum:

i. Activities which licenses are issued by the NMDPRA for Midstream and Downstream Operations are contained in Chapter 2 (Part IV & V) of the PIA 2021, Midstream and Downstream Petroleum Operations Regulations 2023 and other regulations by NMDPRA.

ii. It is mandatory for any company wishing to render service under a license in the Nigerian Midstream and Downstream Industry to have the appropriate and valid permit to do so.

iii. No company shall render or be engaged to render services to the midstream and downstream oil and gas petroleum operations without first being registered and issued a permit to carry out such services by the NMDPRA.

iv. All Licensees and Operators in the Nigerian Midstream and Downstream operations shall ensure that it engages only service providers with the appropriate and valid permit.

v. Any company that renders services in the midstream and downstream Oil and Gas operations without an appropriate and valid service permit or any Operator/Licensee that engages a company without an appropriate and valid permit is in contravention and liable to applicable sanctions.

2.2 Categories Of MDOGISP

The categories of permits under which application may be made on the MDOGISP platform to render services in the Nigerian Midstream and Downstream Petroleum Industry, are as follows: i. General Category

ii. Major Category

iii. Specialized Category.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

2.2.1 General Category

The following applies to this permit category.

a. This category of permit covers:
   i. Artisanry works and maintenance services that do not require specialised or certified competences or formal bidding process.
   ii. Minor supplies that are expected not to exceed, Five Hundred Thousand Naira (₦ 500,000) at a time and usually do not require formal bidding process to engage the supplier.

b. Fees for permits under the General category are shown in Appendix 1.
c. The details of services and permits related to the General category are depicted in Appendix 2

2.2.2 Major Category

The following applies to this Major Permit category:

i. Under the Major category, companies are required to possess relevant and verifiable technical skills required for the service.
ii. Fees for permits under the Major category are shown in Appendix 1. iii. Details of services related to Major category of permit are depicted in Appendix 3.

2.2.3 Specialised Category

The following applies to this Specialised permit category:

i. Under the Specialised Category, companies are required to possess relevant and verifiable technical skills.
ii. Fees for permits under the Specialised Category are shown in Appendix 1.
iii. Details of services related to specialised category of permit are depicted in Appendix 4. iv. Inspection of premises may apply for some permits under this category.

2.2.4 Unprofiled Services on MDOGISP

The following applies.

i. The NMDPRA shall endeavour to update the list of services in line with current realities and opportunities in the midstream and downstream industry.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

ii. Where a company fails to find a service that matches with any of the profiled services, the unprofiled services shall be filled in by text by the Company and subjected to review and approval by the NMDPRA.

iii. The NMDPRA may determine new services or reclassify services from time to time without notice.

2.3 Basic Information on MDOGISP Application

Companies seeking to obtain MDOGISP shall note as follows:

i. NMDPRA does not encourage the use of proxies in the application process for the MDOGISP and therefore will not indemnify any company (or persons) against any loss arising therefrom.

ii. A company shall apply for, renew and obtain permits at any time throughout the year for every service it intends to render to the midstream and downstream petroleum industry.

iii. For every service the company intends to render, it must ensure that it is registered and recognized by Corporate Affairs Commission (CAC) to render such service(s), has the appropriate legal status and the required competencies/capabilities/equipment for such service.

iv. Successful validation or accreditation of facilities/equipment/materials/processes is mandatory for certain applications such as some HSE related applications and others as may be listed on the portal.

2.4 MDOGISP Fees:

The following applies:

i. The summary of fees applicable to MDOGISP are as specified in appendix 1.

ii. Payments can be made directly through any means specified by the NMDPRA on the MDOGISP portal. Further payment instructions are available at the point of payment on the MDOGISP portal.

iii. Payment does not guarantee the issuance of a permit by the NMDPRA. Permits are issued only after Companies have fulfilled all other necessary conditions stipulated in these guidelines and documents related to MDOGISP.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

iv. Payments are valid for a period of three (3) months effective from the date paid and are non-refundable. Companies are therefore advised to ensure that all required documentation are available and ready for upload prior to application.

2.5 Publishing Of Service Companies

In line with the Section 219 of the PIA 2021, the NMDPRA shall publish details of companies with valid MDOGISP. The publication shall serve the following purpose:

i. Promotion of Companies on the MDOGISP portal for Operators to easily know how to locate service providers for different services.

ii. Service directory where an operator or the public can assess the service providers that possess different permits for different services at various locations.

iii. Support for companies without resources to maintain service database, by serving as easy reference hub for contractor information.

2.6 Enquires and Feedback to the NMDPRA

The following shall apply:

a. Companies can convey feedback on the MDOGISP portal at any time the application is being processed.

b. The following channels are available for enquiries for companies on the portal:

i. MDOGISP website (mdogisp.nmdpra.gov.ng).

ii. Email: mdogisp@nmdpra.gov.ng

iii. Call +23408139891410 -15,

iv. Live chat on the MDOGISP portal.

3 APPLICATION REQUIREMENTS FOR MDOGISP

3.1 Overview of Application Procedure

Any company wishing to render services to the Midstream and Downstream Petroleum Industry of Nigeria shall:

i. Register its company on www.celps.nmdpra.gov.ng.

ii. Complete its application through www.mdogisp.nmdpra.gov.ng.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

iii. Fill in all the required information and upload all required documents related to the application.

iv. Pay applicable fees as stipulated in Appendix 1.

The summary of the application steps are as depicted in the table below: ***Table 3-1 Application Steps***

Step 1:	Visit www.celps.nmdpra.gov.ng. and mdogisp.nmdpra.gov.ng
Step 2:	Create your company profile/login to your existing company account
Step 3:	Complete the online application form
Step 4:	Make payment
Step 5:	Attach and upload all applicable documents
Step 6:	Submit your application

		n.	Computers/Data Storage System
		o.	Communication Equipment
		p.	Clean-up absorbents pads, adsorbents, material, Booms, Pumps etc
		q.	Supply Security equipment/devices
11.	**Training/Manpower Development**	a.	Basic Safety training
		b.	Basic Survival Swimming Training
		c.	Software/IT

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		d.	Engineering
		e.	Finance/Accounts
		f.	Management/Admin
		g.	Soft Skills Training
12.	**Events and Media**	a.	Media and Publicity
		b.	Community Relations
		c.	Events Planning
13.	**Legal Services**	a.	Legal Consultancy
14.	**Haulage:**	a.	Road Haulage (goods/materials)
		b.	Petroleum and Petroleum Product Haulage
		c.	Gas Product haulage
15.	**Local Freight/Clearing and Forwarding**	a.	Local Freight
		b.	Local Clearing and forwarding
16.	**Landscaping and Decoration**	a.	Horticulture/Landscaping
		b.	Furnishing and Interior/Exterior Decoration
17.	**Water Borehole:**	a.	Water Borehole Drilling
		b.	Borehole Water Treatment
		c.	Borehole Water Maintenance
18.	**Protocol And Logistics:**	a.	Car/Vehicle Hire and Leasing
		b.	Protocol Services
		c.	Travel Agencies, etc
		d.	Vehicle Documentation
19.	**Medical/Pharmaceutical Supply and Consultancy:**	e.	Pharmaceutical Supplies
		f.	Medical Equipment Supplies
		g.	Dietitians

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		h.	Veterinary Services
		i.	Medical Investigation
		j.	Medical Consultancy
20.	**Hospitality and Stores:**	a.	Lodging/Boarding (0 – 25 rooms)
		b.	Laundry Services
		c.	Downstream Catering and other related services
		d.	Lease of Office Accommodation/Guest House
		e.	Recreational Services
		f.	Convenience Stores at Outlets
21.	**Printing:**	a.	Publishing and Corporate Branding (Calendars, Cards, Plaques, Monogramming)
		b.	Educational and Public Awareness Material
22.	**Automobile**	a.	Sales of Cars/Vehicles (with or without showroom)
		b.	Maintenance of Cars/Vehicles
23.	**Security Services**	a.	Private Guards
		b.	Facility Security Surveillance
		c.	Background Check and Screening Services

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

Appendix 4 - Job Groups and Services Under the Specialized Category

Table 6-4 List of Jobs and Services Under the Specialised Category

NO.	Job Category	Services Under the Job Category		Additional Requirements
1.	**Engineering Design**	a.	Gas Processing and Conditioning Plant Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		b.	Bulk Storage Facility Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		c.	Refinery and Petrochemical Plant Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		d.	Specialized major Pressure equipment Design– separators, reactors, columns, heaters, heat exchangers etc	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		e.	Onshore Pipeline Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)

		f.	Swamp/Shallow/Offshore Pipeline Engineering Design.	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		g.	Metering System Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		h.	Retailing outlet Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved

		i.	Subsea Processing facilities Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		j.	Subsea Risers, Flowlines & Tie-ins Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

k.	Subsea Umbilical & Cables Engineering Design Sub- Sea Controls & Measurements Engineering Design –	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
l.	Mooring System design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
m.	Safety and Control systems Engineering Systems design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
n.	Fire and Gas Protection System design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
o.	HVAC System Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
p.	Cranes and Lifting Equipment design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		q.	Rotating Equipment Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)

		r.	Installation Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		s.	Compression station Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		t.	Hull Engineering Design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		u.	Topside's engineering design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)
		v.	Other mechanical equipment/system design	Membership of Professional body in line with 3.2.3 (a) and/or 3.2.3 (b)

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

2.	**Specialized Engineering and Technical Services and Studies**	a.	Technical Safety Studies	
		b.	Engineering Design Verification and Validation	
		c.	Safety Case Development	
		d.	Facilities Life extension studies	
		e.	Facilities Obsolescence management	
		f.	Hydrodynamic/ Aerodynamic Services	
		g.	Project Management & Administration Services	
		h.	Regulatory & Interface Management	
		i.	Marine engineering and Marine Technology	
		j.	Marine Survey	
		k.	Marine Warranty Surveyor services	
		l.	Oceanography	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

m.	Material Technology / Anticorrosion / Surface Protection Services	
n.	Research and Development (Technology)	
o.	Asset Integrity Management/Assurance	
p.	HVAC	
q.	Technical Risk Management Services	
r.	Calibration/Meter Proving consultancy	
s.	Facility Inspection & Maintenance Service	
t.	Quality Assurance QA/QC services	
u.	Meteorological consultancy	
v.	Accident and Incident Investigation services.	
w.	Quality Management Systems certification	
x.	Qualification of new technology	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		y.	Safety Management Systems certification	
		z.	Decommissioning and abandonment studies	

3.	**Discipline Engineering Services:**	a.	Structural and Civil Engineering	
		b.	Mechanical and Piping Engineering	
		c.	Electrical and Instrumentation Engineering	
		d.	Process Engineering and Automation	
4.	**Manpower Supply**	a.	Administrative and Support staff Supply	
		b.	Engineering and technical staff supply	
		c.	Artisanal staff supply	
		d.	Catering and Laundry Staff	
		e.	Security personnel	
		f.	Supply of manning crews for vessels	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

5.	**Procurement and Supplies**	a.	Procurement of Line Pipes	
		b.	Supply of spares for Major critical equipment	
		c.	Supply of specialized major equipment like reactors, columns, heaters, heat exchangers, tanks etc	
		d.	Supply of Rotating equipment - pumps, compressors, gas turbines, instrumentation systems, etc	
		e.	Supply of Metering Systems	
		f.	Laboratory/Analytical Equipment Supply	
		g.	Supply of firefighting and protection facilities	
		h.	Supply of Radioactive Material	NNRA requirements
		i.	Supply of catalysts	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		j.	Supply of chemicals and Reagents	
6.	**Construction, and Manufacturing Fabrication**	a.	Pipeline Fabrication/Construction /Milling/Threading	List of Equipment in line with 3.2.3c
		b.	Specialized major Pressure equipment – separators, reactors, columns, heaters, heat exchangers etc	List of Equipment in line with **3.2.3c**
		c.	Rotating Equipment- pumps, compressors, gas turbines etc	List of Equipment in line with **3.2.3c**
		d.	Firefighting Facilities	List of Equipment in line with **3.2.3c**
		e.	Instrumentation systems	List of Equipment in line with **3.2.3c**
		f.	Vessel Conversion	List of Equipment in line with **3.2.3c**
		g.	LNG Conversion Center	List of Equipment in line with **3.2.3c**
		h.	LPG Conversion Center	List of Equipment in line with **3.2.3c**
		i.	CNG Conversion Center	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		j.	Woodworks	List of Equipment in line with **3.2.3c**
		k.	Valves	List of Equipment in line with **3.2.3c**
		l.	Gas cylinders	List of Equipment in line with **3.2.3c**
		m.	Cables	List of Equipment in line with **3.2.3c**
		n.	Ropes	List of Equipment in line with **3.2.3c**
		o.	Tanks	List of Equipment in line with **3.2.3c**
		p.	Underground Storage Tanks (UST)	List of Equipment in line with **3.2.3c**
		q.	Surface Storage Tanks (SST)	List of Equipment in line with **3.2.3c**
		r.	Overhead Tanks	List of Equipment in line with **3.2.3c**
		s.	Road Construction	List of Equipment in line with **3.2.3c**
		t.	Bridge Construction	List of Equipment in line with **3.2.3c**
7.	**Facilities and Equipment Installation Services**	a.	Facilities, Process Facilities & Platforms Installation/Upgrade of On-/Offshore	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		b.	Storage and/or Export Facilities installation/Upgrade e.g. Terminals.	List of Equipment in line with **3.2.3c**
		c.	FPSO Vessels Installation/Upgrade of On-/Offshore	List of Equipment in line with **3.2.3c**
		d.	Marine Vessels Installation/Upgrade of On-/Offshore	List of Equipment in line with **3.2.3c**
		e.	Storage and/or Export Facilities e.g. Depots, Jetties Installation/Upgrade of On-/Offshore	List of Equipment in line with **3.2.3c**
		f.	Process Facilities Installation/Upgrade of On-/Offshore	List of Equipment in line with **3.2.3c**
		g.	Installation and maintenance of Subsea systems & Associated support equipment	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		h.	Installation of pressure specialized major equipment like reactors, columns, heaters, heat exchangers,	List of Equipment in line with **3.2.3c**
		i.	Installation of Rotary equipment like pumps, compressors, gas turbines, instrumentation systems,	List of Equipment in line with **3.2.3c**
		j.	Installation of, Automation and instrumentation systems	List of Equipment in line with **3.2.3c**
		k.	Facility HVAC System services Installation	List of Equipment in line with **3.2.3c**
8.	**Pipeline and Cable Laying**	a.	Onshore - Laying of Oil and Gas Pipelines	List of Equipment in line with **3.2.3c**
		b.	Offshore - Laying of Oil and Gas Pipelines	List of Equipment in line with **3.2.3c**
		c.	Deep water Riser/Pipeline Construction services	List of Equipment in line with **3.2.3c**
		d.	Onshore Pipeline Construction	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		e.	Seabed Intervention - (rock dumping, umbilical trenching, etc)	List of Equipment in line with **3.2.3c**
		f.	Cable laying services	List of Equipment in line with **3.2.3c**
9.	**Dredging:**	a.	Dredging Services	List of Equipment in line with **3.2.3c**
		b.	Hydraulic Water Channel Maintenance	List of Equipment in line with **3.2.3c**
		c.	Shore Consolidation	List of Equipment in line with **3.2.3c**
		d.	Land Reclamation	List of Equipment in line with **3.2.3c**
10.	**Work At Heights Services**	a.	Rope Access Service	
		b.	Scaffolding Services	
11.	**Facility Maintenance, Inspection and Certification Services**	a.	Hydro test	List of Equipment in line with **3.2.3c**
		b.	Non-Destructive Testing (Normal)	List of Equipment in line with **3.2.3c**
		c.	Non-Destructive Testing (Radioactive source)	• List of Equipment in line with **3.2.3c** • NNRA Permits

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		d.	Pipeline Monitoring & ROW surveillance	List of Equipment in line with **3.2.3c**
		e.	Pipeline Pigging and Inspection	List of Equipment in line with **3.2.3c**
		f.	Pressure Testing/Leak Detection of Vessels/Pipelines	List of Equipment in line with **3.2.3c**

		g.	Safety Critical Equipment, All Valves (RV, PSV, PCV, PVCV, BDV, ESD, HIPPS etc), Certification	List of Equipment in line with **3.2.3c**
		h.	Flow meters, Gauges, Transmitters etc, Certification	List of Equipment in line with **3.2.3c**
		i.	Certification of Fire systems	List of Equipment in line with **3.2.3c**
		j.	Classification Society and Verification Agents services	List of Equipment in line with **3.2.3c**
		k.	Lifting Equipment Certification	List of Equipment in line with **3.2.3c**
		l.	Cranes and Lifting Appliances Certification	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		m.	Welding Certification	List of Equipment in line with **3.2.3c**
		n.	NDT Personnel Certification	List of Equipment in line with **3.2.3c**
		o.	Machinery Certification	List of Equipment in line with **3.2.3c**
		p.	Certification of Pressurized Equipment - Pressure Vessels, Heaters/Boilers, Scrubbers, knock out drums, Coalesces	List of Equipment in line with **3.2.3c**
		q.	Pressure Testing/Leak Detection of Vessels/Pipelines	List of Equipment in line with **3.2.3c**
		r.	Scaffolding Certification,	List of Equipment in line with **3.2.3c**
		s.	Safety Audit/Technical Surveys	List of Equipment in line with **3.2.3c**

		t.	Vessel vetting inspection services	List of Equipment in line with **3.2.3c**
		u.	Pipeline maintenance	List of Equipment in line with **3.2.3c**
		v.	Storage facility maintenance	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		w.	Equipment Refurbishment services	List of Equipment in line with **3.2.3c**
12.	**Underwater Inspection & Services:**	a.	ROV Operation and associated services	List of Equipment in line with **3.2.3c**
		b.	Autonomous Underwater vehicle (AUV) operations & associated services.	List of Equipment in line with **3.2.3c**
		c.	Under Water Inspection In lieu of Dry Docking (UWILD)	List of Equipment in line with **3.2.3c**
		d.	ROV Technology Services	List of Equipment in line with **3.2.3c**
		e.	Subsea Integrity Management services	List of Equipment in line with **3.2.3c**
		f.	Marine Warrantee Surveyor	
		g.	Mooring system services	
13.	**Specialized Calibration**	a.	Petroleum Storage Tanks Calibration	List of Equipment in line with **3.2.3c**
		b.	Oil and Gas Measurement/equipment (Custody transfer equipment)	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		c.	Relief/pressure safety valves certification	List of Equipment in line with **3.2.3c**
		d.	Crude oil storage tanks Calibration	List of Equipment in line with **3.2.3c**
		e.	Calibration/Meter Proving consultancy	List of Equipment in line with **3.2.3c**
14.	**Cargo Surveying and Measurements**	a.	Petroleum Liquids Loading Cargo Survey	
		b.	Gas Loading Cargo Survey	
		c.	Meters & Flow Meters	
		d.	Subsea Metrology	
15.	**Laboratory Services under specialized**	a.	Biomonitoring /Bio-degradability Studies	
		b.	General Chemical testing under Midstream Operations	
		c.	Material Safety Investigation under Midstream Operations	
		d.	Crude Oil Analysis	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		e.	Gas Analysis (Natural gas, NGL, CNG etc)	
16.	**Corrosion Services**	a.	Corrosion Prevention & Control Services	
		b.	Cathodic Protection & Coating Maintenance	
		c.	Subsea Pipeline protection services	
		d.	Corrosion Prevention and Control Services (Cathodic Protection, Coating,)	
17.	**Diving Services**	a.	Shallow water diving	List of Equipment in line with **3.2.3c**
		b.	Mid diving	List of Equipment in line with **3.2.3c**
		c.	Deep Diving	List of Equipment in line with **3.2.3c**
18.	**Hyperbaric_Services**	a.	Divers' Fitness Certification	
		b.	Hyperbaric Oxygen Therapy (HPOT) and Associated Services	
19.	**Logistics**	a.	Offloading/loading system services	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		b.	Courier Services	
		c.	Clearing and forwarding	
		d.	Bulk Haulage	
20.	**Aviation Support:**	a.	Air Transportation	
		b.	Aviation Logistics	List of Equipment in line with **3.2.3c**
		c.	Supply, Installation and Maintenance of Air Navigation / Communication Equipment	
		d.	Aviation equipment certification and inspection	
		e.	Aircraft Inspection (QC & QA)	
21.	**Marine Support Services:**	a.	Sea Transportation	List of Equipment in line with **3.2.3c**
		b.	Supply, Installation and Maintenance of Marine Equipment	
		c.	Marine Logistics	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		d.	Cargo Handling/Storage	
22.	**Heavy Equipment Hire & Leasing Only**	a.	Vehicles	List of Equipment in line with **3.2.3c**
		b.	Lifting Equipment, Cranes, Shackles, slings, chains	List of Equipment in line with **3.2.3c**
		c.	Earth moving vehicles, Caterpillars, Payloaders, etc	List of Equipment in line with **3.2.3c**
		d.	Generators	List of Equipment in line with **3.2.3c**
		e.	Waste Management/Treatment Facilities Leasing	List of Equipment in line with **3.2.3c**
		f.	Rotating	List of Equipment in line with **3.2.3c**
23.	**Vessel Leasing Marine Equipment Hire & Leasing Only**	a.	FSO Leasing	List of Equipment in line with **3.2.3c**
		b.	FPSO Leasing	List of Equipment in line with **3.2.3c**
		c.	Diving support vessel	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		d.	Dump Barges	List of Equipment in line with **3.2.3c**
		e.	Emergency Response and Rescue Vessel	List of Equipment in line with **3.2.3c**
		f.	Float over barge	List of Equipment in line with **3.2.3c**
		g.	Heavy Lift vessel	List of Equipment in line with **3.2.3c**
		h.	Offshore Supply vessels	List of Equipment in line with **3.2.3c**
		i.	Swamp-buggies	List of Equipment in line with **3.2.3c**
		j.	Supply vessel	List of Equipment in line with **3.2.3c**

		k.	Anchor handling vessels	List of Equipment in line with **3.2.3c**
		l.	Construction Support Vessel	List of Equipment in line with **3.2.3c**
		m.	Crane Barge services	List of Equipment in line with **3.2.3c**
		n.	Crane Vessel	List of Equipment in line with **3.2.3c**
		o.	Swamp pipeline construction	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		p.	Tugboats	List of Equipment in line with **3.2.3c**
		q.	Lease of Diving support vessel	List of Equipment in line with **3.2.3c**
		r.	Pipelaying vessel	List of Equipment in line with **3.2.3c**
		s.	Platform Supply vessel	List of Equipment in line with **3.2.3c**
		t.	Submersible Heavy Lift Vessel	List of Equipment in line with **3.2.3c**
		u.	Accommodation Platforms/floaters	List of Equipment in line with **3.2.3c**
		v.	Floatel	List of Equipment in line with **3.2.3c**
24.	**Environmental Related Studies & Services**	a.	Environmental Sensitivity Index (ESI) Mapping Geographic Information System (GIS)	
		b.	Environmental Assessment/Studies (EIA, EES, PIA, EBS, e.t.c.)	
		c.	Environmental Management Systems Certification	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		d.	Measurement, Reporting, and Verification MRV and Green House Gas (GHG)	
25.	**Decommissioning and Restoration Services:**	a.	Decommissioning preparatory works	
		b.	Structure removal and recycling	
		c.	Facilities and infrastructure removal and remediation	
		d.	Decommissioning site monitoring	
		e.	Pit Back-filling and Land Reclamation.	
26.	**Pollution Control Services**	a.	Oil Spill Control/Clean-Up	
		b.	Soil Remediation	
		c.	Naturally Occurring Radioactive Materials (NORM) Assessment and Monitoring	
27.	**Waste**	a.	Engineered Landfill	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

	Management/Treatment Facilities: Construction, Manufacturing and Fabrication	b.	Effluent treatment facilities, etc.	List of Equipment in line with **3.2.3c**
		c.	Waste Management facilities	List of Equipment in line with **3.2.3c**
28.	**Waste Management/Treatment**	a.	Thermal Desorption Unit (TDUs)	
		b.	Incinerators	

	Facilities: Supply, and Procurement Installation of	c.	Sewage Treatment Plant (STP)	
		d.	Wastewater Treatment Facility	
		e.	Produced Water Treatment Plants	
		f.	Tank Cleaning Equipment	
		g.	Waste Haulage Trucks/Vehicles	
		h.	Waste Skips	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		i.	Recyclable Waste Collection/Transfer Station (Spent Batteries, Used Tyres, Fluorescent Bulbs, Scrap metals, E-Waste etc.	
		j.	Waste Re-injection/Injection /Produced Water/NORM	
		k.	Offshore Hazardous waste transportation	
29.	**Waste Management Services Handling, Operations and Maintenance:**	a.	Thermal Desorption Units (TDUs)	List of Equipment in line with **3.2.3c**
		b.	Incinerators	List of Equipment in line with **3.2.3c**
		c.	Sewage Treatment Plants (STP)	List of Equipment in line with **3.2.3c**
		d.	Wastewater Treatment Facility	List of Equipment in line with **3.2.3c**
		e.	Produced Water Treatment Equipment/Facility	List of Equipment in line with **3.2.3c**
		f.	Tank Cleaning Equipment	List of Equipment in line with **3.2.3c**
		g.	Tank Vessel Cleaning	List of Equipment in line with **3.2.3c**

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		h.	Waste Haulage Trucks/Vehicles	List of Equipment in line with **3.2.3c**
		i.	Waste Skips	List of Equipment in line with **3.2.3c**
		j.	Water-Based Mud handling (spent WBM).	List of Equipment in line with **3.2.3c**
		k.	Naturally Occurring Radioactive Materials (NORM) Waste Management	List of Equipment in line with **3.2.3c**
		l.	Oily Sludge/Waste Oil Recycling Facility	List of Equipment in line with **3.2.3c**
		m.	Onshore Hazardous waste transportation	List of Equipment in line with **3.2.3c**
		n.	Secondary Waste Management (Residual Ash/sand/sludge from Waste Treatment Facilities)	List of Equipment in line with **3.2.3c**
30.	**Specialized Oil and Gas HSE Training Services.**	a.	Basic Offshore Safety Induction Emergency Training (BOSIET), Further Offshore Emergency Training (FOET),	Training center established in line with the Guidelines for Safety and Emergency training Center.

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		b.	Tropical BOSIET, Tropical FOET	Training center established in line with the Guidelines for Safety and Emergency training Center.
		c.	Helicopter Underwater Escape Safety Training (HUET),	Training center established in line with the Guidelines for Safety and Emergency training Center.
		d.	HUET & Tropical HUET	Training center established in line with the Guidelines for Safety and Emergency training Center.
		e.	Helicopter Support (Helicopter Landing Officer, Helideck Team Member)	Training center established in line with the Guidelines for Safety and Emergency training Center.
		f.	Confined Space Entry Training	Training center established in line with the Guidelines for Safety and Emergency training Center.
		g.	Minimum Industry Safety Training for Downstream Operations (MISTDO)	Training center shall be established in line with the Guidelines for MISTDO
		h.	Oil Spill response Training etc	
		i.	Emergency Rescue Training	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		j.	Advanced Fire Safety Training	Training center established in line with the Guidelines for Safety and Emergency training Center.
		k.	Advanced Medical and First Aid Training	Training center established in line with the Guidelines for Safety and Emergency training Center.
		l.	Accident and incident Investigation training	
31.	**Specialized Engineering and Technical Training**	a.	Petroleum Engineering Training	
		b.	Petroleum Economics Training	
		c.	Discipline Engineering Training	
		d.	Inspection and Maintenance Training (Pressure Vessels, Pigging, Tanks, NDE)	
		e.	Technical Safety Training	
		f.	Welding Training	
		g.	Scaffolding Training	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		h.	Working at Heights/Rope Access Training	
		i.	Diving Training	
		j.	Lifting Operations and Lifting Equipment Training	
32.	**Hospital/Medical:**	a.	Health Management Services	
		b.	Hospital Retainership	
		c.	Surgery & similar medical procedures	
		d.	Industrial Hygiene: Radiation, Safety monitoring and control	
		e.	Hospital Services	
		f.	Medical Fitness Facility	List of Equipment in line with **3.2.3c**
33.	**Communication:**	a.	Telecommunication operator	
		b.	Telecommunication Services	
		c.	Administration & IT services	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		d.	Information Management Security certification	
		e.	ISP Providers	
		f.	Cable network	
		g.	Information Technology (Hardware and Software management)	
		h.	Evaluation and certification of software and electronics	
34.	**Financial and Accounting Services**	a.	Banking Services	
		b.	Accounting Services	
		c.	Auditing Services	
		d.	Taxation	
		e.	Financial Management Advisory Services	
		f.	Financial Management consultancy	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		g.	Pension Funding Services	
		h.	Monetary Intermediation / Credit Granting Services	
35.	**Transaction Advisor**	a.	Technical Evaluation Services	
		b.	Commercial Evaluation Services	

		c.	Lender Financing.	
		d.	Third-Party Controllership Services.	
		e.	Financial Modeling, Budgeting & Projections.	
		f.	Trend Analysis & Benchmarking.	
		g.	Business Advisory Board Assistance	
36.	**Insurance Services**	a.	Life Insurance Services: Claims	
		b.	Non-Life Insurance Services	

This is a property of the Nigerian Midstream and Downstream Petroleum Regulatory Authority. All rights reserved.

		c.	Insurance Matters
